Severance Tax - Oil and Gas Severance Tax Withholding Account

How do I close an Oil and Gas Severance Tax Withholding account?

To close an oil and gas severance tax withholding account, indicate on your final DR 0461 "Quarterly Return of Oil and Gas and Oil Shale Tax Withheld return the closing date and reason why you are closing the account. A line is designated on the form specifically for the purpose of closing the account. The account will be closed as of the date you have indicated on the return.

You may also close your account by contacting the department's Customer Support Call Center at (303) 238-SERV (7378).
